Guidelines for the current COVID-19 situation.

Vaccinations – We kindly ask you that your horses vaccinations are up to date. The booster injection must be given within 6 months prior to the competition. We do understand that due to COVID-19 your vets may not have been able to come out to you, so in these circumstances you will need at least the up to date annual boosters.

Catering – We have asked Jane and Richard at Taste buds catering and they are very happy to come along but we will be asking for a queuing system so that we can keep people away from each other and also away from the caterers themselves.

Results and sheets – We would like to ask that you bring with you an A5 stamped address envelope so we can send you your test sheet/rosette so there is no waiting around and minimises numbers on the yard. All Results will be added to our website either that evening or the next day. If you prefer we can send you a picture of your score sheet over email, please email us on the day and we will get them to you as soon as possible.

Spectators – We ask that you only bring 1 or 2 people with you so we can keep the numbers down on the show ground to minimize over crowded areas such as the arenas and the catering/photographer. Whilst on site competitors and visitors are asked to maintain the 2-metre rule.

Managing hygiene -

- Frequent cleaning with disinfectant, paying close attention to common touchpoints like door handles, gates, counters etc. and any shared equipment, such as pens, clipboards etc.
- Hand washing facilities with soap and hand sanitiser will be available at all times whenever possible for visitors/participants. Visitors and competitors are asked to be mindful not to touch unnecessary things.

We will be having a one-way system on the show day, so please familiarise yourself with the map below.

These rules are in line with any government changes.

We thank you all for your cooperation and we are looking forwards to seeing you all again.
